

## Ecclesfield Library now has Colour

*Ecclesfield Library is a non profit organisation run entirely by volunteers and solely for the benefit of the local community.*

We have taken delivery of multi-functional device, donated by Sharp, that allows us to **print**, **copy** and **scan** in either black & white or colour. Printing can be via your device, USB stick or from our Print Station.

***Children print free*** - as part of this new service we are offering free use of this facility (up to a reasonable quantity) to our local children, who are members of the library, to help with any homework related projects.

Please come in and give us a try. If you don't have any printing needs but would like to donate to our library we would be delighted to receive books from you, provided they are in good condition, or indeed cash donations. Or just come in and browse our latest books and have a coffee.

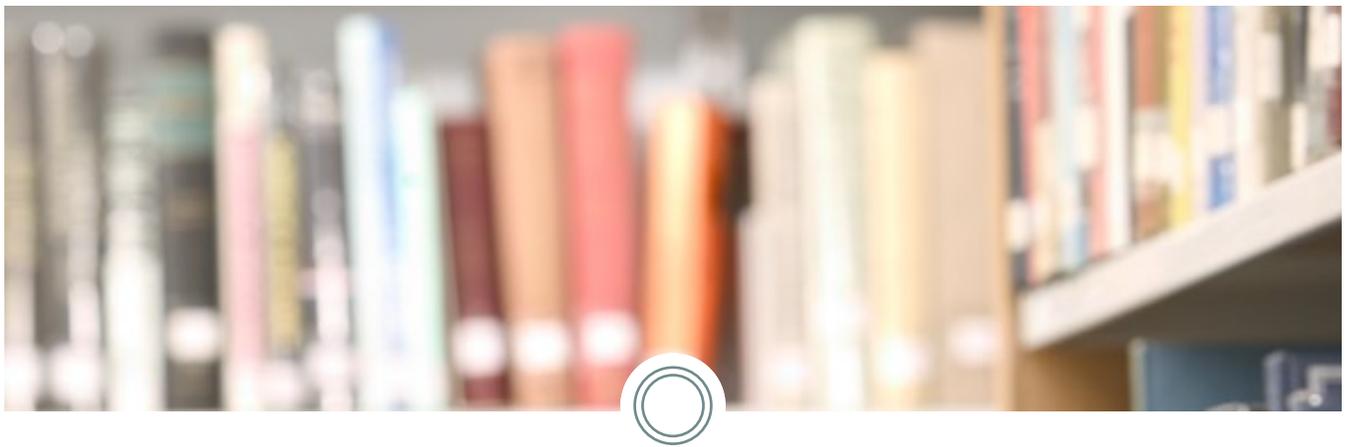

Any donation, no matter how small, helps to keep your library open and helps us to improve the services that we provide to our community. Or simply donate your time as a volunteer.

*Thank you*

*Friends of Ecclesfield Library CIO, 113 Main Street, S35 9UA*

*Registered Charity, No 1158802*

If you wish to make a one off donation or set up a monthly standing order starting from £1 month then please call us on 2463615 or come in to see us.
